Sports, Home Show at Lake Villa Provides Fine Entertainment

Sunday is Governor's Day Local Talent on Program Each Night

Excellent entertainment and good mercantile exhibits were evidenced at the opening nights of the Lake County Sports and Home show at Lake Villa this week, and it is believed that by the end of the week the much deserved big crowds will be present.

The show was not quite ready for the public Monday night when the carnival rides were prevented being set up by the owner of Cedar Lake park who refused to let the workmen assemble the machinery on Sunday, because of its interference with his resort trade, the management of the show said. The rides were in full operation Tuesday.

Antioch is contributing to the entertainment through her amateur performers from local school of dancing. Monday night Leith and Joyce Lewis did an acrobatic dance and Jill Gaston a drum and tap dance.

Tuesday night Sandra Reiter, Nancy and Diane Wagner were on the program for tap dancing and Patty Ecklund for chair acrobatics. Wednesday night, sharing the spotlight with Red Blanchard, celebrity were Linda Ansel, toe dancing and Yvonne Lux, acrobatic dancing.

Tonight Patty and Bobby Boyden, ballet dancers; and Sally Horton, tap dancer are on the program and tomorrow night Sandra Glener in acrobatics and folk dancers are scheduled, and on Saturday night Margaret Olson will entertain with song and dance.

Today is Industries Day, tomorrow Sportsmen's Day, Saturday, Labor day, with George Green, chief conciliator of the state department of labor being present; and Sunday, governor's day with Gov. Adlai Stevenson scheduled to be present. The Barrington High school square dance team will be on the night program.

Absence of mosquitoes and the perfect arrangement and control of the grounds makes the enjoyment of the show most pleasant.

The 14-acre area provides space for more than 90 exhibitors of sports and home appliances; a midway of carnival attractions; the state Department of Conservation's wild life exhibit; a big amphitheatre for free attractions; a picnic ground and parking space.

The open air theatre will present nightly at 9 o'clock.

Fearless Forrest high pole act. Ranch boys—Roving act of comedy musical novelties by radio celebrities.

The Rollers—globe rolling act.

Lake County talent—two acts supplied nightly, one each by Marjorie Young's School of Dancing, and Yvonne's School of the Dance, Antioch.

Ray Paulson and his famous "Tune Rockers" orchestra.

Additional exhibits during the day will include:

Department of Conservation—Illinois wild life.

Chief Evergreen Tree—famed at Wisconsin Dells for bird and animal imitations.

Ben Genty and his dog performance.

John Lindmeier—State champion horse shoe pitcher on Friday, Saturday and Sunday.

Lake Villa Will Issue \$225,000 in Bonds to Pay for School Annex

A \$225,000 bond issue, to provide an 8-room addition to the Lake Villa grade school was approved in an election in that district Saturday by a vote of 150 to 67.

R. E. Lundahl, president, said the 228 ballots represented a smaller turnout than he was expecting because of the amount involved, but said that weekend events took the attention of the people away from school matters.

A second proposal tax that authorized the school as an annex to the present building at Grand ave. and Rte. 21 was approved by 98 voters and no other location was suggested.

The vote to allow the construction of the building as a separate proposal from the bond issue was favored 165 to 68.

200 Attend Tournament Of Building, Lumber and Coal Dealers Association

The forty-first semi-annual spring golf tournament of the Building Material, Coal and Lumber Dealers association was held at the Chain O' Lakes Country club Thursday, June 16.

The weather was good and a fine time was enjoyed by all. Jack Kuhlman won the cup with a low gross of 76, and Ben Bailey, Jack Olmsted, and Joe Pulse were runners up with 77, 77, and 79 respectively.

Blind bogey-84—was won by George Johnson, Charles Peylon, and Clyde Jones. Blind bogey-88—was won by Ernie Hammerschmidt, Harry Timm, and Roman Vos.

More than 200 attended the tournament and 191 were served at dinner in the evening.

Jim McMillen Wins Match From Famous Tony Galento

Tony Galento, who once floored Joe Lewis in a prize fight started throwing punches at Jim McMillen of Antioch in their main wrestling event at the Waukegan High school Saturday night and as the result McMillen won the match.

Two-ton Tony won the first fall in a couple of minutes after clubbing Jim with a rabbit punch, but McMillen put a body block and a cross-over arm lock on the Jersey barkeep to tie the count. In the third fall when Galento repeatedly ignored the referee's warning about slugging, he was disqualified and the decision went to McMillen. Nearly 2,000 persons saw the match.

Mulligan Little Injured As Car Knocks Down 18 Mail Boxes on Rte. 173

Eighteen mailboxes went down like bowling pins when Robert C. Mulligan, 27, of 59 Prospect ave., Ave., Antioch, lost control of his car on Rte. 173 near Addison lane Monday morning.

The car after hitting the cluster of mailboxes hit a culvert and light pole.

Mulligan escaped with bruises and shock and his wife leg and face cuts. They were treated by Dr. I. L. Breakstone, after first aid was given by the Antioch Rescue squad.

The Mulligans were going west and after passing a car skidded onto the shoulder of the road when the driver tried to turn back into the proper lane.

"Kiddieland" at Lake Villa Well Received By County Youngsters

A new recreational venture, in the establishment of a permanent "kiddieland" at Lake Villa, on "Villa" on Grand Ave., near the Soo Line railroad, seems destined to prove a lot of fun for youngsters all over the county.

The park, which is designed solely for the small kiddies, features a miniature train, auto ride, chair plane, and real saddle ponies.

Originally conceived to delight to children of the immediate locality, the kiddieland has attracted so many small visitors, that Ed Sherry, well-known Lake Villa businessman, and owner of the park, said today that enlargement of the facilities was a real possibility, if business continues to grow.

The kiddieland is operating from 6 p. m. on week days and from 12 noon on Saturdays, Sundays and holidays.

Argyle Farm Cow Receives Cup For Butter Production

Argyle Farms, located on Route 173 east of Antioch, was honored at the cattle sale and showing of Shorthorn cattle at Springfield, Ill., Monday. One of the milking short-horn cattle of the farm received a cup for the best butterfat production of any cow of the breed in Illinois. More than 400 cows were entered in the competition.

Mr. Rider, farm manager at Argyle, represented Mrs. Tague, owner, at the meeting.

Small Blaze at Shannons'

The only call for the Antioch fire department up to yesterday was at the Willis Shannon home in the Shannon subdivision at Channel lake where a hot water heater became unmanageable. No damage was done.

Bass Fishing Starts Off Well in Chain O' Lakes Area; Haling Gets Eight

The bass season in Northern Illinois has started with a bang. Reports from state conservation officers in the field are that large numbers of anglers welcomed the opening of the season June 15 with catches of one or two bass. Best hauls for the day were made by (Chuck) Haling of Grass Lake and Edward Hanrahan of Evanston with eight bass apiece.

Conservation officials also reported that bluegills are "definitely back on the beds." Although a number have already been taken on worms, bluegills will be rising to flies as soon as warm weather sets in, they said.

Opening of the bass season here was a long awaited signal for Lake Zurich fishermen who had expected lines out for "Jack Pot Jackie", a black bass with a price of \$230 on its head. The reward, posted by the Lake Zurich Association, is the largest single cash prize being offered in the second annual Illinois fishing rodeo of the conservation department. "Jackie" is believed to be still at large, however.

The rodeo, which will continue through October 15, involves hundreds of fish of all types which have been tagged by the department and released in practically every fishing area in the state. A total of 38 tagged fish have been reported to the Chicago office thus far, officials said, with Maple Lake fishermen leading the Chicago area with 12 prize winning catches.

In addition to Lake Zurich, good bass fishing spots include Meyers Bay in Pistakee Lake, Grass Lake, the southwest shore of Petite Lake, the east side of Round Lake and the northeast end of Bangs Lake.

Fishermen were reminded that the minimum legal length for large and small mouth black bass is 10 inches. The daily limit is 10 and the possession limit is 20.

William Gelden, 82, of Lake Villa Dies, and Funeral Held Monday

William Gelden, 82, of Lake Villa, died at 9:05 p. m. Thursday, June 16, at St. Therese hospital in Waukegan after an illness of nearly four months.

Mr. Gelden was born Nov. 20, 1866 in Oslo, Norway, and came to the United States when he was 17 years old. He settled in Lake Villa and has lived there since. He retired from farming a number of years ago.

Mr. and Mrs. Gelden celebrated their golden wedding anniversary in 1942. They were married March 16, 1892.

Surviving are the wife, Annie, and eight children, Mrs. Sade Loepfer, Zion; Mrs. Marie Sarbacher, Bassetts; Mrs. Louise Wilton, Salem; Mrs. Alice Cunningham, Antioch; Arthur, Raymond and Edward Gelden of Lake Villa and Harold Gelden of Waukegan.

Twenty-two grandchildren and 16 great grandchildren are living. A brother, Hans, of St. Paul, Minn., and a sister, Katie Stoffer, of Grayslake, also mourn his death.

The funeral service was held Monday afternoon at the Strang funeral home with the Rev. Gallup, of Waukegan officiating and burial was at Millburn cemetery.

Lakeland Players Will Perform at Lake Villa

The Lakeland Players, Antioch's own little theatre group, will present their summer production at the Lake Villa school auditorium Friday and Saturday evenings, July 1 and 2.

"On the Bridge at Midnight" by Bruce Brandon, an old-fashioned melodrama, has been chosen by the play-reading committee and Tom Burns has been appointed director.

Burns on behalf of the cast and other members of the Players hopes that a large audience will attend and "cheer the hero, hiss the villain, and see virtue and iniquity receive their just rewards."

Travels to England, France

Mrs. William Tague, owner of the Argyle farm on Rt. 173, left by airplane last Thursday for England to be gone two weeks. She will spend some time in Scotland and will make a short trip to Paris, France.

Fifty-Dollar Deductible

Entertainment Chosen For City-Farm Picnic At Gages Lake July 13

The Prairie Ramblers, famous W. L. S. quartet, will lead the entertainment program at the 4th annual city-farm picnic to be held at Gages lake picnic grounds Wednesday, July 13.

The Prairie Ramblers have appeared over W. L. S. for many years, and are favorites at the WLS Barn Dance. They have appeared on thousands of programs throughout the country.

Another act on the afternoon entertainment will be Ming Toy, an outstanding and talented juggler. Ming Toy is fast becoming a favorite attraction. He will demonstrate his skill in throwing anything from balls to knives.

Another favorite of the WLS Barn Dance Program who will entertain at the picnic is Miss Evelyn. This talented young lady will present a program that will delight everyone.

The entertainment program is only a part of the Annual City-Farm picnic. There will be games, contests and entertainment for all.

The V. F. W. again evened its season won and loss record by taking an 11-6 victory from New Munster. It was a free scoring contest marred by numerous errors by both teams. Highlight of the game was the no hit, no run relief hurling of Ray Bushing. Jack Crandall again led the Antioch attack banging out a double and two singles to drive three runs across the plate. Pres Reckers contributed the best fielding play of the day as he made a leaping one hand catch of a Texas leaguer which would have driven in two runs.

Antioch started its run production early, getting a run in the first, when Reckers walked, advanced to second on a sacrifice, took third as the pitcher threw into center field on a pick off play, and second on a fly to left by Ed Palenski.

E. William Strauser Leaves St. Ignatius For Oskaloosa, Iowa

The Rev. Roberts Ehr Gott, Jr., of Barrington to Be His Successor

The Rev. E. William Strauser, priest of St. Ignatius Episcopal church, has announced his leaving July 1 to take charge of St. James Episcopal church in Oskaloosa, Ia.

He will conduct his last service here Sunday and will introduce his successor, the Rev. Roberts Ehr Gott, Jr., at that time. His first service at Oskaloosa will be conducted the following Sunday and he, Mrs. Strauser and their two children will leave Antioch on June 29, to establish themselves in their new home.

Mr. Strauser has served the Antioch parish for three years and has firmly established himself in the respect of the community. He goes to an old and well established church.

Mr. Ehr Gott was ordained a deacon last Saturday by Bishop William E. Conkling at St. Paul's-by-the-Lake, Rogers Park, Ill., his boyhood home. He has been serving the Palatine-Barrington charges, but will now bring his wife and small son to Antioch to reside.

Said Mr. Strauser:

"Since this is my last Sunday as priest-in-charge of St. Ignatius' I will take this opportunity of thanking this paper for its help and assistance during the time I have been here.

"To all of you, friends of St. Ignatius and therefore friends of mine, I want you to know I have been happy serving among you.

"To the members of St. Ignatius' church, your co-operation has been most heartening; your friendship valuable. May God richly bless you as you continue building the kingdom of God under the leadership of the Rev. Roberts Ehr Gott, Jr."

The program at the local church—the second Sunday after Trinity—calls for Eucharist at 7:30; no church school; but at 11 a. m. Eucharist, church school commencement, and the introduction of Mr. Ehr Gott.

Conservation Director Is Made Honorary Chairman

Leonard Schwartz, director of conservation for the state of Illinois, was made honorary chairman of the sanctioned power boat regatta at Fox Lake July 10.

Schwartz will be introduced to the racers on that day and occupy a place with the judges. He was chosen because of his position as head of the department that now controls the waterways of Lake county.

Plans are rapidly shaping up for the regatta and those in charge believe it will be a success. It will bring to the Chain O' Lakes region some of the fastest power boats afloat.

Loon Lake Subdivision Gives \$50 to Rescue Squad

The North Shore Improvement association, Inc., on the north shore of Loon Lake has collected \$50 for the Antioch Rescue squad as the result of a drive headed by Joe Kass as chairman.

The association annually has made a donation to the squad. The officers are Lewis E. Bozic, president; Mel Glass, secretary; and Dr. Sandomier, treasurer.

The association is planning a fireworks display for July 4.

County Fair Will Open Aug. 4 at Libertyville; To Be Bigger Than Ever

4-H club Will Have Poultry Show This Year—More Space Added

What promises to be the biggest and best fair ever held in Lake County, will open on Thursday, Aug. 4. The Fair will run for four days, and is being held at Memorial field, Libertyville, the site of last year's successful fair.

All departments of the Fair are being enlarged to take care of the demand for more exhibit space. A large increase in commercial exhibits, as well as in the livestock, vegetable, flower and many other departments, is indicated. A high class entertainment program costing several hundred dollars, has been secured by the Board of Directors. The midway will also be enlarged to take care of the additional rides.

Superintendents have been appointed for all the different departments, and competent judges have been secured to judge the thousands of exhibits. Since the 4-H club members are holding their poultry show in connection with the county fair, the poultry exhibit will be greatly increased this year. There will also be a greater number of farm machinery exhibits.

In order to accommodate the greatly increased number of exhibitors, the board of directors rented an additional four acres of land adjacent to the Memorial park grounds. The livestock and machinery exhibits will be located there. A bridge will be constructed across the creek to connect this additional land with the Memorial park grounds.

Premium books will be mailed to all farm families shortly after July 1. Anyone else desiring a book may obtain one by writing the Lake County Fair Association, Grayslake.

There will be classes provided for all to exhibit. City people, as well as farmers, will find classes in which they may make entries.

Tri-County Editors Told Of New Plan for State Conservation School

The day of the hilarious cocktail parties for privileged groups at the state conservation school on Fox Lake is past, Leonard Schwartz, new state conservation director promised Lake, Boone, and McHenry newspaper men at their outing at the school last Friday afternoon.

"The aim of my department is to educate the people throughout the state on the fact that conservation is necessary. It is more important to obtain volunteer assistance in department's program than it is to make arrests for law violations," said Director Schwartz. Game wardens and others are advised of this.

The director said that the work of the department should be 60 per cent education, 20 per cent law enforcement and the rest miscellaneous duties.

He also said that the state school in Lake county is most important and that the benefits are manifest. County school superintendents, high school students, from all counties, and other groups are being given instruction from time to time on conservation. The department is planning to extend its educational groups throughout the state.

William Maloney, public relation officer, conferred with members of the press on their wishes regarding news from the department. The editors and their wives were given a boat trip through the Chain O' Lakes and following this there was a fish dinner. Movies were shown which illustrated some of as well as the needs.

The advances made in conservation Howard Gaston, president of the Lake County Newspaper Publishers association expressed thanks to the state department, on behalf of the guests. Arrangements for the outing were made by Representative Nick Keller and Charles Miller, secretary of the association.

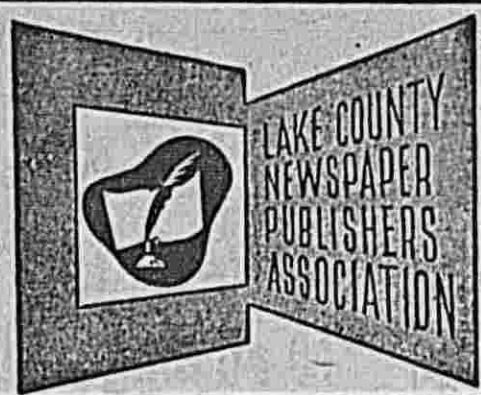

Time of Dedication Set

Dan Boyer, chairman of the Lions club bridge dedication committee announced that the dedication of the Grass Lake bridge will be at 3 p. m. Friday, July 1. Gov. Adlai Stevenson has been invited to attend with many state and county officials. He expects a total attendance of 150 persons. The public is invited.

Danger at the Grassroots

Robert Kazmayer, the well known lecturer and commentator, recently made a penetrating observation on our internal weakness. He said: "The real danger in the U. S. today lies not in Washington, but at the grassroots. Governments have always tended to usurp more and more power unto themselves. In every free organization there is the seed of tyranny. That's why eternal vigilance is the price of liberty. The real danger in the U. S. lies with the millions who are apathetic. Democracy is going by default. Men and women are being promised by their government things which that government cannot deliver, not over any protracted period of time—for no government can go on promising more and more people more and more of everything, without telling anyone that someone has to pay the bills. Lulled into a false security by these promises men are exchanging their liberties, their initiative, their dignity, their heritage as free men, for a bunch of theories, most of which are imported from countries which are already dependent on the U. S. for support."

There's no sense in kicking at the government, as if it were something separate and apart from us. The government is what we make it by the public servants we elect to office. In late years, there has been a disgraceful increase in the "gimmen" attitude indulged in by individuals, by local governments, and by various groups, all seeking special favors and benefits. This represents the "get-something-for-nothing" psychology in its worst form. And it is exactly the kind of thing which starves freedom and fattens tyranny.

Economic Highlights

As Fortune put it, the slump in business was recently made official. This happened when Dr. Edwin Nourse, top economic advisor to the President, reported that the Federal Reserve Board's industrial production index had dropped to the lowest point since July of 1947. Dr. Nourse, who has never been regarded as a conservative in his economic views, urged the President to hold down Federal spending and to go easy on urging increases in taxation.

U. S. News & World Report offered its view of the situation in these words: "The country, at this time, is in the middle of a tug of war between buyers holding out for lower prices and sellers trying to avoid price cuts. . . . Business is slowing in one line after another, while this price war goes on." The magazine then forecast that, before the end of 1949, the general price level will be 10 to 15 per cent below the postwar peak but still more than 80 per cent above the 1939 figure. It added: "When buyers are convinced that prices once again are firmly set, demand for goods is expected to revive and business to move ahead."

If this view proves to be the correct one, it is clear that the current slump is not the beginning of a depression. It is, instead, and adjustment of a boom condition which was based on a tenuous foundation. When the war ended, there had been four years of increasing shortage and the war-enforced cash savings of the people were at an all time high. The inevitable result was a buying spree that took in practically every kind of commodity, no matter how high the price or how poor the quality. Much of the money has now been spent, the shortages have almost all been made up, the national income is down from the peak, and the spending spree has come to an end.

During the course of the adjustment, the attitude of labor will be important—the cost of labor is a dominant factor in determining the selling price of the bulk of commodities. Some labor groups are now working for increased pay, but this is not universal by any means. A number of the top union officials are displaying considerable caution. In some lines, it is reported that productivity per manhour has been rising—when business slackens workers naturally put out more effort in order to keep their jobs. Also, the fairly substantial layoffs that have taken place in major industry have largely been confined to the least efficient workers, and the better men have remained on the job. Thus, labor costs many diminish in various fields, even though wage rates remain at high levels.

All in all, business trends are being watched with extreme care in all quarters. But there is little real pessimism.

Miss Irene Pachay Married Saturday To Robert Griffin

At St. Peter's church on Saturday morning Miss Irene E. Pachay became the bride of Robert Griffin. The Rev. Francis E. Flaherty officiated.

The bride, daughter of Mrs. Joseph Pachay, was given in marriage by her brother, Carl. She wore a white gown with a finger-tip veil and carried a bouquet of white carnations and stephanotis. The matron of honor, Mrs. Carl Pachay, wore an aqua gown and hat, her bouquet was of carnations.

Joseph Pachay, Downers Grove, served as best man.

Following the ceremony a dinner was given at the Colony house for the wedding party, with the reception at St. Peter's hall.

Both Mr. and Mrs. Griffin are residents of Antioch, and are employed in North Chicago. After a wedding trip the young couple will be at home in Antioch.

MILLBURN HOME BUREAU MEETS AT DENMAN HOME

The Millburn Unit of Home Bureau met at the home of Mrs. J. S. Denman with Mrs. Eric Anderson as co-hostess. They served a delightful dessert luncheon of homemade cookies and a very refreshing fruit punch to 24 members and 6 guests. The guests were Mrs. Ida Trux, Mrs. W. C. Upton, Mrs. Anna Bauman, Mrs. Frank DeYoung, Mrs. Robert Denman and Mrs. Bertha Neuman.

The major lesson on "Better Light" proved to be very useful, informative and interesting and was given by Mr. Forby, a Public Service representative.

The minor lesson also a high light vice representative.

at the meeting was given by Mrs. Carol Anderson on "Roses" and of interest to all our members.

The next meeting will be our Annual picnic to be held at the home of Mrs. O. L. Hollenbeck in July with Mrs. Dostcheck, Mrs. L. Messersmith and Mrs. Janet Diedrich assisting.

Our sympathy is extended to our secretary, Mrs. A. Becker, whose father passed away in Florida. Mrs. Becker has gone to be with her mother.

METHODIST YOUTH TO LAKE GENEVA CAMP ON SUN.

Two members of the Young People's MYF of the Methodist church in Antioch will leave this Sunday for Lake Geneva and the annual Young People's Camp which lasts for a week. Those going from the local MYF are Bob Wilton and Bob Kufalk. The Dean of the Institute will be Rev. Claire A. Nesmith of the Broadway Methodist church in Chicago.

ENTERTAINS WOMAN'S REPUBLICAN CLUB OF ILLINOIS THURSDAY

Katherine Sackerson, of Indian Point played host to a number of members of the Illinois Republican Woman's club at her home last Thursday, June 16. Plans were made for activities for the year, among them were plans for a basket social on August 13th. President Mrs. Sarah Delano, and county chairwoman Irene Reidy were among those present.

Carpenter and Foreman

Wanted at V. A. Hospital

The Veterans Administration Hospital, Downey, Ill., announces that two vacancies now exist in the hospital engineering division. A position is open for a skilled carpenter at an annual starting salary of \$2800 per year. The duties of this position involve general carpentry work at the Journeyman level including ordinary maintenance, general repair, alteration or small construction projects. Four years' apprenticeship or experience in carpentry work is required.

The other vacancy is for a General Laborer Foreman at a starting salary of \$2350 per year. For this position at least one year's experience as a laborer is required including or supplemented by at least six months' experience in a supervisory capacity. Interested and qualified applicants should report to the hospital personnel office immediately.

METHODIST CHURCH

PICNIC AT FOX RIVER

PARK NEXT WEDNESDAY

The annual All-Church picnic of The Methodist Church will be held next Wednesday at Fox River State Park. The picnic, previously postponed because of inclement weather, will begin at 8:30. Cars will leave the church promptly at 6 o'clock. Coffee will be served by the ladies of the church.

Feature of the picnic will be a softball game between the adults of the church and the young people. Mr. Robert Kufalk has been making arrangements for the young people's team, and Mr. Frank Spangard has been lining up the adult team. Members and friends of the church are cordially invited to attend.

Mrs. M. Golden entertained the Tuesday afternoon bridge club at her home this week.

METHODIST HOLD 2 SERVICES EACH SUNDAY MORNING

Double services, one at 8 o'clock and one at 11 o'clock are held each mer season. The first of the double church, Antioch, during the sum-Sunday morning in the Methodist services began last Sunday morning. The early service is informal and summer visitors are urged not to "dress up" to go to church.

A nursery for small children is available at both the 8 o'clock and the 11 o'clock service. Misses June and Virginia Petersen are in charge of the early nursery and Mesdames Sigurd Nielsen and Robert Cary are in charge of the nursery at 11 o'clock.

At the 11 o'clock service on Sunday morning Mrs. E. W. Kufalk will be the soloist. She will sing, "On Life's Highway."

Building New House

C. F. Spiering of Hickory Corners is building a new 8-room ranch type house with full basement at the southwest corner of the intersection of Rtes 173 and 45. It will be of a special block material.

Mrs. Fred Schwarz, formerly of Chicago and Lake Marie, now living in Gibson, N. Y., is visiting her mother, Mrs. Frank Whitefield, of Lake Marie. She plans to be here for an indefinite period.

Mrs. Wendling is entertaining house guests from Charleston, West Virginia this week. Her guests are Mr. and Mrs. Albert Wendling and five children, Mrs. Norman and her son, J. Norman and wife.

Legion Ball Team Drops Two Games On New Diamond

Village President Geo. B. Bartlett pitched out the first ball in Sunday's game between the local Legion team and the Greiss-Pfleger colored team of Waukegan. This was the first game played on the newly improved village grounds.

The Waukegan team proved much too strong for the locals, who wound up on the short end of a 5 to 17 score.

On Wednesday, the locals also went down to defeat at the hands of a team from St. Joseph's, Waukegan. The locals garnered one lone run to the victor's five. Ed Olson was on the mound for Antioch.

To Meet Libertyville

The locals have high hopes of collecting a win this coming Sunday when they meet a Libertyville team at Libertyville. According to the scouts, the Libertyville team has not won a single game this season. If the Antioch team can win, they will be batting 500% as they now have won 2 for 5 starts.

Drunk? Cops Say Yes but—

SANTA FE, N. M.—State police solved the mystery of the tipsy patrol car. But for a time, it was embarrassing.

The police telephone started ringing with reports that a car bearing state police markings was fouling up traffic here and the driver obviously was drunk.

State police explained they had sold one of their cars to a used-car dealer. The official markings never had been removed, and Domingo Dolores Angel, 22 years old, took it for a spin. He pleaded guilty to drunken driving and was fined \$100.

Alone, Maine Man Sails Yawl Across Atlantic in 55 Days

NORTHEAST HARBOR, ME.—A 23-year-old marine engineer guided his doughty yawl into this harbor after a 3,600-mile solo sail across the Atlantic that he claimed clipped a day from the 56-day record for the lonely trip.

Bronzed and smiling happily through a 55-day beard growth, Joseph Patterson of Bangor arrived aboard the 38-foot Seven Seas which he had brought by himself all the way from Setubal, Portugal.

"Got a new record," he called to bemused waterfront residents who flocked down from their homes when news of his arrival spread swiftly through Northeast Harbor.

"Did it in 55 days and that's one day shorter than the record," he said. "Might have made it three days sooner if I'd had a better break in the weather."

"I stocked plenty of provisions," he said, "I had canned meats and plenty of vegetables and fruit juices and about 150 gallons of water. I used only about 40 gallons of water, though, because some of it was pretty rusty."

The Seven Seas was equipped with a diesel engine, but this broke down one day out of Setubal, he said. His radio went dead two days before he sighted the Maine coast.

"I ran into a lot of little squalls," he said, "but only one of them really hung on. That was a beaut. Lasted two days and slowed me down quite a bit."

The Seven Seas boasted a roomy cabin with four large bunks and a galley. The vessel was equipped with electricity and a 10-foot rowboat was perched upside down on the roof of the cuddy.

Lonely?

"Guess I should have been, but I wasn't," Patterson said with a laugh. "I just took my time and did a lot of reading and a little fishing and goldbricked around the Atlantic ocean. I was having too good a time to be lonely."

Boy, 12, Escapes From Bear After Exchanging Blows

EVERETT, WASH.—Twelve-year-old Larry Nowlin had a bear story, and he still trembled as he told it.

Larry and two other boys were returning from fishing in a creek south of Everett when, he said, he encountered a bruin in a wooded section near the city park.

The boy had fallen behind when his line became entangled in the brush. He just had freed his pole and line and was setting out after his companions, he said, when the bear burst from the bushes.

"I practically ran right into him," the boy said. "The bear swung at me and ripped my shirt. (He has holes in it as evidence). I took my hunting knife and slashed at the bear and then ran as fast as I could."

It was fast enough. The bear hasn't been seen since. The frightened boy said he didn't have any idea which way it headed—and didn't care much.

Alabamans Search for Cause Of Green-Colored Downpour

MOBILE, ALA.—When green rain fell here, one boy brought a bucketful to the newspaper office, just in case anyone doubted him.

After the downpour, sidewalks and streets for a four block area bore a lime tint.

The weather bureau said the green rain could have been caused by some chemical being discharged into the air from an industrial plant.

However, others believed that army fliers from nearby Brookley field had been experimenting. They theorized that some of the dye used by fliers who crash at sea to color the water and attract air rescuers had been dropped on a rain cloud.

Firemen Hitchhike Ride to Blaze but Arrive Too Late

PHILADELPHIA.—Firemen of truck company 5 went to a fire by trolley and police car.

The men were responding to an alarm when their hook and ladder truck broke down.

Lt. Ralph Miracle flagged a passing trolley, explained the situation to the motorman and commandeered the trolley.

After three blocks, the firemen abandoned the trolley in favor of a squad car.

When they arrived, however, other firemen already had extinguished the blaze.

CAPSULE FOOD

Pills Make Poor Meals

LONDON.—Dr. Hellmuth Edhardt Heitz, one of the world's leading authorities on concentrated foods, says future generations need not fear the advent of capuled beefsteaks or pillbox strawberry shortcake.

Heitz, who began experimenting with food concentrates nearly 20 years ago after getting the idea during a big game hunt, asserted that capuled food could never be substituted for solids as a permanent diet.

However, he believes capuled food has its place, and an important one, especially in an emergency.

The naturalized Briton, who studied medicine at the University of Vienna, is now the head of Allied Laboratories, which manufactures emergency rations in tablet form at the rate of two million a week.

Heitz's ration is contained in a pill the size of a quarter, called Etalone. It was used during the war by the British merchant navy, commandos and ambulance units and now is being converted for peacetime.

Plans Large Scale Test.

The doctor said a large scale test would be conducted shortly in a famine area. He said Etalone also would be a fit luncheon for a harassed office worker.

"It is far healthier to have one of my pills than to gobble down a badly made sandwich and suffer indigestion," he contended.

Heitz said Etalone, which will keep a man comfortably for five and a half days without food or water, comes in many flavors. Favorite flavor during the war with the British navy was a banana and caramel mixture.

"This flavor selecting is a delicate thing," he explained. "We must be careful to pick one that does not produce thirst." He said that ruled out beefsteak flavor.

Tailored for Taste

Etalone will be tailored to taste for various foreign countries, he said, although the ingredients are the same. He said China, for instance, might want a pressed duck flavor in their Etalone, while lemon probably would be popular in the United States.

Heitz said he would go to America to see about prospects for manufacturing Etalone there.

The scientist said he conducted many of the initial tests himself. He lived for five and a half days on Etalone.

"I had no thirst at all and slept better than usual," he said. He hopes to store enough energy in Etalone to last a man for one week, which he considers the maximum.

The tablets contain no moisture but are designed to prevent any feeling of thirst by helping the body make the best use of its water reserves. Etalone provides the equivalent of nine-elevenths of an ounce of fresh meat protein and the same amount of minerals as a day's ordinary diet, with a half ounce of dextrin and ovolecithin.

The dose is four tablets a day.

Woman's Death Ends Six-Year Vigil Over Hoarded Fortune

WARREN, OHIO.—An aged woman, who lived in squalor amid a small fortune she guarded day and night with three revolvers for six years, died here and police were busy tabulating her wealth.

Mrs. Carrie G. Mountain, a fragile 90-year-old retired house servant, died of the infirmities of old age in the ramshackle frame house where she had lived for 56 years.

After her death police revealed she had spent every night of the last six years sleeping in a chair, guarding her wealth with three revolvers kept on a small table nearby.

Police said she died a few hours after her guardian, Cliff Bland, had deposited to her account \$23,000 in cash found hidden in old boxes in the house.

Mrs. Mountain had lived in her lonely house a few yards from the Warren business district, to all intents poverty-stricken. Friends said "she never ate much and wouldn't even spend money to keep warm in winter."

Not until the probate court ordered Bland to search her premises, was it known that Mrs. Mountain had any great amount of money. Bland and police quickly found more than \$15,000 in \$50 and \$100 bills hidden in a moldy shoe box in her bedroom.

Sultan Favors Mass Weddings As Progressive Development

SINGAPORE.—The sultan of Selangor is urging conservative Malays to adopt mass weddings.

"In these days of progressive development," he is quoted as saying, "we want to do things in a rapid, smart, efficient, attractive and economical manner."

The sultan has offered one of his palaces for mass weddings. During the occupation a mass wedding was attempted but failed because few people were interested. A recent survey shows the younger generation favors removing some of the gingerbread from the traditional three day ceremony which is primarily Hindu in origin.

the score in their half of the first by combining a double by Rossmiller and two singles by Epping and Elverman.

Antioch took the lead again by scoring a run in the second and one in the fourth, but Munster came back with two runs in their fourth to reknit the score. They scored three more in the fifth to take the lead for the only time in the game.

In the sixth Antioch took advantage of three errors to take a lead which they never relinquished. Wells and Shank were both safe when the second baseman fumbled their grounders. Scott attempted to sacrifice but forced Wells at third. Corrado singled to left scoring Shank. Bushing was safe when the third baseman fumbled his ground ball, Scott scoring. Reckers struck out but Crandall singled to left, scoring Corrado and Bushing. Palenski popped up to end the inning.

The V. F. W. led the game in the seventh by pushing four runs across the plate. Bushing held the opposition in check the last four innings aided by a ninth inning double play which squelched a New Munster rally.

Next Sunday the V. F. W. will play host to Pleasant Prairie. Game time is 2:30 P. M., C. D. S. T.

A bus load of boisterous V. F. W. players and rooters bounced their way to Evanston Thursday night as the locals went seeking their fourth victory of the current campaign. Later Thursday night a much quieter group returned, still looking for the fourth victory. The Evanston Flashers really lived up to their name by rolling over the locals 14 to 1.

The first 5½ innings were a nip and tuck pitchers duel between Bruce Dalgard and Hicks. Antioch took a quick lead but Evanston tied the score in the fourth. In the sixth the V. F. W. defense fell apart, committing seven errors. The Flasher's combined them with five hits to score ten runs. Antioch couldn't recover from that onslaught and failed to score in the remainder of the game.

Army Recruiter Here June 29

M. Sgt. Garland D. McMillan, NCO in charge of the Waukegan Army and Air Force Recruiting Station announced this week that the army is seeking new enlistments and special emphasis is placed on veterans, and recent high school graduates. Sgt. McMillan also said that some of the requirements previously in effect have been lowered in an effort to qualify the maximum number of applicants for enlistment. In keeping with the program the Army & Air Force will have a Recruiter at the Postoffice in Antioch on Wednesday, June 29, to answer all questions of interested persons.

New Director in Charge Of Camp Chi, Loon Lake

Miss Esther Millner of Chicago has become the director of Camp Chi at Loon Lake, taking the place of Mrs. Marian Marshall, who has gone to California after serving as director for three years. Miss Millner has been a student at the University of Chicago.

Camp Chi was established 28 years ago by Mrs. Seeman as a camp for girls of the middle-income group ages 10 to 16. It is under the direction of the Jewish Community Center of Chicago.

The camp will receive its first contingent of 112 girls on June 27, but the staff of 30 including the nurses, counsellors and maintenance personnel arrived this week to get the camp ready. There are two three-week periods and two-two week periods taking care of a total of 448 girls.

Extend Bonus Deadline

Michigan and Rhode Island have extended the deadline for filing of veterans bonus applications. Michigan veterans can file until March 19, 1951, and Rhode Island to Oct. 31, 1949.

Sylvester Says:

"Here's the plot! Now, who's home shall we build on it?"

When the Federal Government builds "public housing" it uses the same materials and the same men private industry is using now to build 5 homes a minute every eight-hour working day.

If the government takes men and material away from a home being built for your neighbor, it stops your neighbor from building his house.

If the government takes your tax money to build a house for your brother (public housing) it doesn't add a single house to the present supply. For, it must tear down your brother's old house to justify its spending of your tax money.

But if your neighbor has a good house and builds a new one, there would be two houses—one for your neighbor and one for your brother.

Here is the machine you have been waiting for! A machine you can depend on to finish the job without annoying delays due to repeated failures in the field.

When you own a Fox Forage Master, you own the leader in the field. The Fox is backed by 14 years of field-proven, trouble-free performance.

Look at the construction of the Fox! Strength in its essential parts! Capacity enough for the largest windrow or heaviest row crop! Safety such as only the Fox cutting principle can provide! That's why you can depend on the Fox to finish the job.

Take the Fox out into the field! Watch how the windrowed hay goes into the machine in an unbroken ribbon and comes out in a steady stream. Notice how easily it rolls. This is the machine you have been waiting for!

The Fox Crop Blower is a worthy partner to the Fox Forage Master. It stands head and shoulders above every other crop blower on the market. For a real job of forage harvesting or hay chopping, insist on complete FOX equipment.

Children's Day was observed at the Community church last Sunday at 11 a. m. and the members of the church school furnished special music. Jill Mahoney led in the words of assurance and the Lord's Prayer. Irene Perry led in the responsive reading and Jaclyn Martin led the collect. Jay Cribb and Jerry Burnett took up the offering and Jack Mahoney led in the pastoral prayer. Little Janice Cervella, young daughter of Mr. and Mrs. George Cervella, of Crooked Lake, was baptized at this service. The pastor spoke briefly on "As a Little Child." Next Sunday he will use the topic "Has the Church Failed?", as basis for his sermon at 11 o'clock. You are welcome.

Many of the people of the church, including the Pastor, his wife, members of the Official Board and W. S. C. S. attended sessions of the Rock River Conference at Waukegan this week. The choir joined with other choirs of the District at the Wednesday evening meeting.

Mrs. Lulu Nelson entertained Georgia Avery, Mayme Kapple, Marie Hamlin, Stella Pedersen, Lulu Boehm, Ruth Schumacher, Cora Hamlin, Ethel Wood, of Vancouver, Wash., and Nancy Sheehan, of Antioch, who was with her grandmother, Georgia Avery, at a luncheon last Thursday at the home of her daughter, Mrs. Carl Ekdahl, at Monaville. This was the sewing club group.

The next meeting of the W. S. C. S. will be on Wednesday, July 6, place to be announced later. This will be the quarterly pot luck dinner to celebrate the April, May and June birthdays of members and friends. The ladies have set Wednesday, July 20, as the date of their annual summer sale of rugs, fancy work, quilts, etc., in connection with a white elephant sale, so plan to be there. The ladies have a very

fine selection of new rugs for your approval.

Cedar Lake Camp Royal Neighbors held the regular meeting at the Village hall last week Tuesday evening and in spite of the rain, had a good attendance. They honored two of their members with gold pins denoting 50 years of membership. They were Mrs. Sara Sheehan Waters, who came out from Chicago for the occasion and Cora Hamlin, the Receiver of the Camp. A program of music on piano and accordion was given by Mrs. Harriet Davis and Carol and Joan Cervena, of Grass Lake. Ice cream, cake and coffee were served at the close of the meeting.

Mrs. Ruth Schumacher and her mother, Mrs. Church, moved last Saturday from the Avery home, which they have occupied since last July to the new home they have purchased at Wonder Lake, near McHenry.

Mrs. Hugo Fischer of East Shore Gardens has been quite ill during the past week, but is improving.

The Woman's Society of Christian Service assisted by the Halcyon club sponsored the Mother-Daughter banquet at the school gym last Wednesday evening and 170 mothers and daughters were seated at the flower decked tables. The men and boys of the community served the tables very efficiently and everyone enjoyed the evening. Mrs. (Continued on Page 8)

"Listen, I don't joke about the budget."

"You really mean it costs only 8c a day to operate an automatic GAS water heater?"

"That's right! We have all the hot water we want every day whenever we want it... and it costs less than half a pack of cigarettes."

"Brother, that's really worth knowing. We're always running out of hot water at our house... and Marge says she never gets through the laundry without stopping to wait for more hot water."

"We used to have that trouble, too. But not any more. And Jim, the best part about an automatic GAS water heater is you never have to go near it after it's installed. No more early morning trips to the basement for me."

"Oh, don't remind me of my troubles. It seems I spend half my evenings coaxing our water heater so there'll be enough for baths."

"Why don't you look into automatic GAS water heating? I wish we'd had ours years ago!"

"Believe me, I'm going to! Who do I see?"

"Oh, your master plumber, appliance dealer, or nearest Public Service store. Any of them can help you."

Check on this today. See your master plumber,
appliance dealer, or nearest Public Service store.

So Much for So Little with an Automatic Gas Water Heater

The convenience of automatic GAS water heating costs only about 8c a day... less than the price of half a pack of cigarettes.

 Anna Gunnarson was toast-mistress and introduced Mrs. Stephen Maurin, who gave the toast to the daughters and her daughter, Patricia Kelleher, responded with the toast to the mothers. Mrs. T. E. Rodd gave the invocation and Sue Weber sang two delightful numbers accompanied at the piano by Mrs. Delbert Sherwood. Shirley Slazes Linda Ansell and Lillian McNeill gave dance numbers which were much enjoyed. Gifts of baskets of flowers were presented to the oldest mother present, Mrs. Florence Kerr, and the youngest mother, Mrs. Ervin Barnstable.

Mr. and Mrs. Charles Frye, of Berwyn, former teachers here, called on friends here last Saturday.

Mrs. Clare Sherwood, her mother, Mrs. Emma Sorenson, her sister, Mrs. Blanche Pavosky, of Waukegan, have returned from Ironwood, Mich., where they spent a few days with Mrs. Sorenson's son, Harry, who is hospitalized with a heart attack. He is on the gain, but still in the hospital.

The Pinochle club met Tuesday afternoon this week with Mrs. An-

na Martin at her home on Rt. 21, for pot luck dinner at 12:30 followed by games of pinochle during the afternoon.

The Lake Villa Community Men's club held its final meeting of the season at the school gym last week Tuesday evening, and following the corned beef and cabbage dinner served by the ladies, held a meeting and enjoyed a program of pictures. The club sponsors free movies at the gym each Saturday night.

In cards received from Mr. and Mrs. Russell Brumfield, who have been visiting relatives in Washington state, they tell of a very pleasant trip and visited Yellowstone

Park last week on their way home.

Mrs. Agnes Kelly was called to Menominee, Mich., late last week by the very sudden death of her sister. She and Mr. Kelly left immediately, and she will spend the week there with the family, but Mr. Kelly returned home Sunday.

Our village was saddened early last week by news of the death of Mrs. Caroline Kimball, who with her husband, has lived here for

about 2 years. She had not been well for some time, and went to hospital Monday evening and passed away Tuesday. Besides her husband, Marshall, she leaves two daughters and their families at Elmhurst. She was a member of the O. E. S., at Millburn and of the W. S. C. S. and Royal Neighbors in Lake Villa. The body was taken to Elmhurst and funeral services were held there on Thursday. They had

made a trip to Florida last Spring and enjoyed it so much that they planned to go back this winter.

Ollie Martin, Karen Martin, Sue Weber, Irene Perry, Charlotte We-

ber, Verna Bennecke, Jack Mahoney and T. E. Rodd represent the Lake Villa choir at the Wednesday evening chorus at the Conference at Waukegan.

Who'll be First
with the Last Word?

White sidewall tires, as illustrated, available at extra cost.

ACT QUICKLY—and in your neighborhood it might be you.

For there's no doubt that this exciting new Riviera model—styled and executed by Buick—is the very last word in new body types.

It has, as you see, the swift and racy lines of a Convertible, made even more distinctive by a bold new sweep of chromium along its fenders.

But the top is solid—a single sheet of stout steel, neatly finished off inside with chromium bows. And a broad rear window curves gracefully around, giving really abundant rearward vision.

Push-button controls drop all windows out of sight at a touch, leaving not even a doorpost to block your outlook. And the interior trim is

the richest yet—a really stunning creation inside as well as out.

As pictured here the Riviera is now in production on the Buick ROADMASTER chassis—which means 150-hp Fireball power, the silken luxury of Dynaflo Drive, and the matchless levelness of the Buick "dream ride." That means "the last word" in brilliant performance as well as in luxurious dress and styling.

Production on this high-styled road star is limited, as you might expect.

To be "first with the last word," therefore, it is wise to see your Buick dealer soon about getting your order in.

Daniel V. Jones Graduates From Communications School

Scott Air Force Base Illinois, Pfc. Daniel V. Jones graduated this week from the Air Force Communications School at Scott Air Force base, Ill., it was announced by the base commander, Brigadier General Emil C. Kiel.

Graduated as a control tower operator, Pfc. Jones will be assigned to an air force installation where he will direct the local flow of air traffic and thus provide for safer flying operations.

Jones, 19, son of Mr. and Mrs. Edwin L. Jones, Sr., R. R. 2, Lake Villa, Ill., graduated from high school in Antioch and attended Marquette university prior to enlisting in the Air Force on Dec. 9, 1948. His brother is Ensign Edwin L. Jones, Jr.

Before entering the Scott Air Force Base Communications school, Pfc. Jones completed basic training at Lackland Air Force Base, Texas.

Charles Oscar Johnson, Indian Point, Passes

Charles Oscar Johnson, 87, father of Roy E. Johnson, well-known resort owner at Lake Villa, passed away Tuesday, June 21, as a result of a heart attack. He had apparently been in good health, despite advanced age, until the fatal attack.

He was born, March 6, 1862, in Stockholm, Sweden, and migrated to this country at the age of 10. He located in Chicago, where he was a painter, and had made his summer home at Grass Lake for the past thirty years.

He was a charter member of the Painters Union, local 194, Chicago, and retained membership in the organization for more than 60 years.

He is survived by two sons, Roy of Lake Villa, and Charles J., of Chicago. His wife Mathilda preceded him in death. He leaves one daughter, Esther Bystedt, of Lake Villa.

The body lay in state at the Strang Funeral home until today, when it was taken to Chicago for funeral services and burial.

Grass Lake Resident, Harry L. Kepner, 73 Passed Away Wednesday

Harry P. Kepner, a resident of Grass Lake for the past 52 years, where he operated a resort and of late years had been engaged in the boat building trade, died Wednesday at 7 p. m. after a lingering illness.

Kepner was born Oct. 3, 1875 at Lennox, Ia., and came to this community more than fifty years ago. He was co-owner of the Cheshire and Kepner resort at Grass Lake from 1903 until 1921, when he retired and went into the boat building business.

He is survived by two daughters, Mrs. Virginia Francisco, of Antioch, and Mrs. Audrey Harridge of Glenview; a brother, Alfred, of Seattle, Wash., and one sister, Mrs. Nora Crane, of Spring Grove.

Funeral services will be held from the Strang Funeral home on Saturday, and burial will be at Lennox, Ia.

Rodeo to Raise Funds For Park at Grayslake

A wild west rodeo to be held July 2, 3 and 4 will headline a campaign by Grayslake civic, fraternal, church and veterans groups to raise funds to purchase Grayslake park, it was announced today.

The 10 acre tract on the east shore of Grayslake will be under the control of the Grayslake Park Project committee and will be equipped as a suitable playground for the children and adults of the village.

The rodeo will be presented by Meda Calzavars, owner of the Bar M Ranch, Buckley rd., a leader in the promotion of wild west shows. Every organization in the village is co-operating in the huge project which is expected to attract 10,000 persons during the three day run.

The park will be purchased by the citizens of the city, but it will not be owned by the village therefore there will be no expense to the taxpayers, according to the committee.

A small admission charge to the park will probably be in effect so the park will be self-sustaining.

Although there has been some opposition in the village the project has the support of most residents. The rodeo will be held at the east end of Center st., north of Rte. 120 in Grayslake on a plot of ground made available by Edward Druce.

Harry W. Hasty, Resort Owner Is Dead at Age 83

Harry W. Hasty, proprietor of a resort on Bluff Lake, Antioch, passed away at the age of 83 years, yesterday, Wednesday, June 22. He had been engaged in the resort business at the same location for the past thirty years. He was born June 26, 1865 in Lafayette, Indiana, and came to Chicago to become an orna-

LOOKING FOR FOOD VALUES...?

Customers' Corner

Correct prices, plainly marked, are essential to good food shopping. You can best stay within your budget when you know as you shop how much each item is costing you.

That is why we have a rule in our stores that the price of every item should be plainly and accurately marked on the item, shelf or case.

We hope you find this policy helpful; and that you will tell us if you should ever find that we have made an error.

We would appreciate any suggestions you might have for the improvement of our price marking system or anything else that will make your A&P a better place to shop. Please write:
